

Hermanos Group

Contracting Services

CEO Message

Hermanos Group approach rests on one fundamental concept: Our clients are the beginning and the end of our business. We have combined technological systems, our people skills, and engineering ethics to ensure client's satisfaction. The fact that most of our projects represent repeat business illustrates our clients' continuing trust and satisfaction with the rendered quality within time and budget.

Over the past decade, the State of Qatar witnessed and was blessed with unprecedented growth in the country's pursuit of progress. The growing economy fueled the development of various sectors, most notably the real estate sector. Hermanos Group is proud to have contributed to this development and continues accomplishing several prestigious residential, commercial and industrial projects.

"Our philosophy is that our client's success is ours"

ABOUT US

Hermanos Group (HG) is a General Contracting Company, which delivers Prime Residential, Commercial, Educational and Industrial properties.

Founded in 2012, HG is continuously expanding to become one of the most sought-after Construction Companies.

HG's size and corporate structure provide a unique advantage to its clients. HG is consistently associated with the highest standard of service, quality, safety, personal attention to clients and integrity. Combined with our corporate technological assets, HG ensures "result-oriented management and on-time and on-budget delivery".

"WE
STRIVE TO
DELIVER
PROGRESS"

MISSION

Hermanos Group shall provide the most comprehensive engineering solutions, General Contracting Services and services by successful partnership with them throughout the whole construction process, constant technological and professional improvement of its team, and offering the best portfolio of products with world class engineering practices.

HG will offer only the best, in terms of professionalism and creativity in our operations and ensure quality and clients complete satisfaction in every step we follow.

Business Approach

By strategically positioning quality management at the heart of its operations, Hermanos Group has bound together the full value chain of a Construction company, thus embedding the management culture, which is concept of a triple bottom line central to reinforcing sustainability and delivering a quality outcome to all stakeholders.

Quality management is the cornerstone of Hermanos Group operational culture and business approach.

Hermanos Group has over-arching measures to consistently monitor performance and aims to empower employees to live its corporate values.

What drives our business?

Hermanos Group relies on the demand for engineering and construction services that support gross fixed capital formation.

Hermanos Group has a clear strategy of using its collective skills and understanding of markets to develop a unique value proposition to clients.

VISION

Hermanos Group is committed to become Qatar's best Engineering services company by providing world-class design, engineering excellence, quality and professionalism ; and seek to become our customers most preferred partner for their growth and developments and this in line with Qatar 2030 Vision. In that regard, HG is committed to deliver high end Quality for landmark and distinguished Projects.

The strong growth of Hermanos Group has been built on a foundation of consistently delivering construction projects to the highest standards.

Hermanos Group has demonstrated an unbeaten track record for delivering high quality civil projects to our world class clients.

Our aim is to be the best Contractor in Gulf Region in the field where we are working.

Safety, health and environmental management, Hermanos Group's safety, health and environment (HSE) policy and practices centre around a zero-harm philosophy towards people, host communities and the environment.

CORPORATE PRINCIPLES

HG believes that core values are essential keys to achieve our mission. We work together through a Set of Values and consistent application of these values.

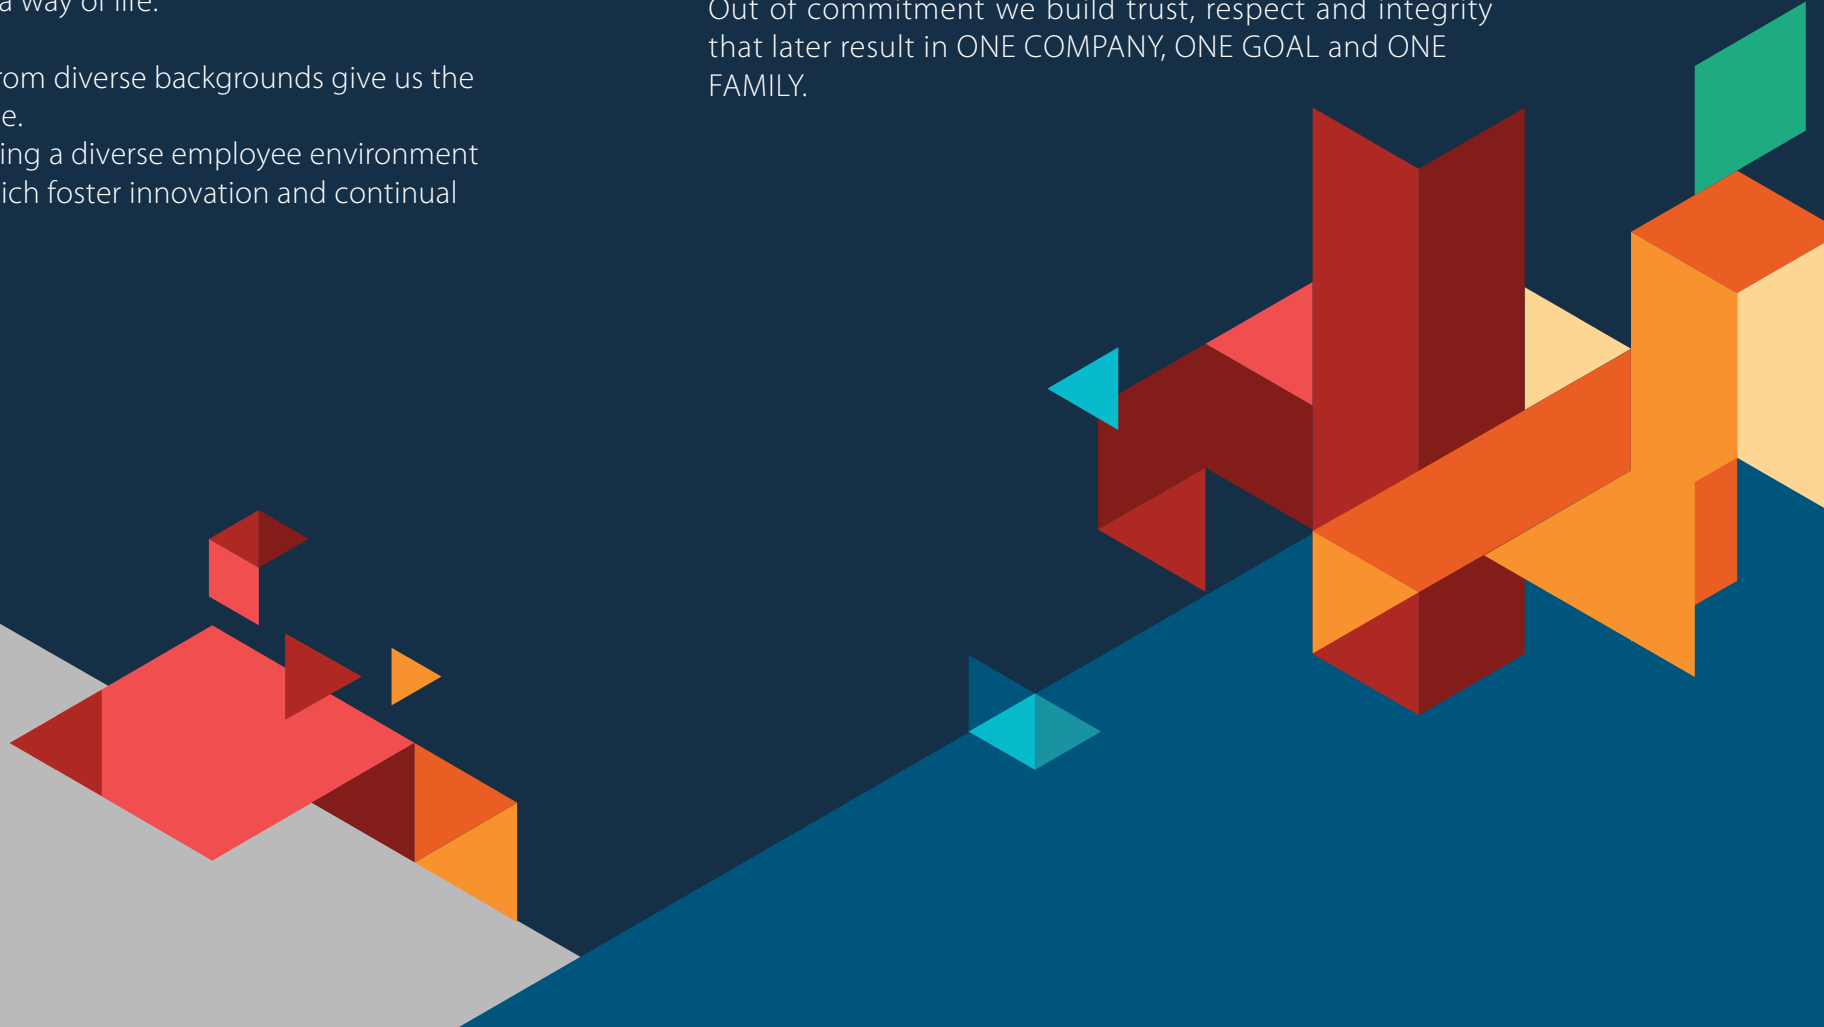

Behind every property HG builds, lays a team of talented individuals working together as a whole function organization. Every function co-exists at the highest level and defines the value of teamwork as a way of life.

HG's people coming from diverse backgrounds give us the competitive advantage. We believe that fostering a diverse employee environment creates fresh ideas which foster innovation and continual improvement.

COMMITMENT

From commitment, everything stems out positively. HG believes that excellence is an art won by training and adjustment.

The company is committed to a set of regulations & policies for all departments and staff. Out of commitment we build trust, respect and integrity that later result in ONE COMPANY, ONE GOAL and ONE FAMILY.

INTEGRITY

Character is one factor that guides all actions and decisions. HG invested uncompromising integrity that makes our entity today. Most projects of the company are repeat business due to the clients' satisfaction and trust. HG respects values and serves customers with sincerity and integrity. The company's priority is taking care of its team and clients, then the profit will come.

Hermanos Group business approach is encapsulated in its positioning statement of "Structured Ingenuity": The word "structured" articulates Hermanos Group ability to deliver products and services according to a tested methodology. The word "ingenuity" reflects the group's ethos of meeting challenges with innovative solutions.

TEAM WORK

HG is not just a company, it is a family. All members of the company pany think as one and work as one. Working together as one team is a very rewarding experience. It fosters creativity and open-minded that can allow the company to give unique and exceptional solutions while respecting the individuality of each and every member.

INTEGRITY

Hermanos Group decades of experience, innovation and exceptional people differentiate our approach to delivering integrated solutions notwithstanding the diversity and complexity of an exponentially changing environment.

Wherever in the world it operates, Hermanos Group strives to live by its core values of:

1. People
 2. Excellence
 3. Transformation
 4. Customer Focus
 5. Innovation
 6. Integrity
 7. and Performance
- 

PROJECTS

Almarai Demolition

Almarai is a well-known company in the food industry based in Kingdom Of Saudi Arabia. They have extended their business to Qatar by developing and existing depots of Qatar.

Hermanos Group started their business relationship with Almarai Company when HG was awarded the first project proposed by Almarai Company in Qatar – Warehouse Demolition.

HG scope of work was to demolish the existing warehouse & offices and prepare the surface area to become a parking area for sales-vans along with complying with Local & Almarai Company Health, Safety and Environment regulations and procedures.

Almarai Steel Platform

Hermanos Group had gained Almarai Company's trust when completed the demolition work as per Almarai HSE department rules & regulations and met the project engineering department's satisfaction; HG have been awarded second project proposed – Steel Platform.

HG scope of work is to design & build an open steel shaded platform (1Ton/sqrm) for loading and unloading two reefers for fifteen sales-vans providing all support facilities; security room, firefighting pump room, electro-mechanical works and site development works.

Almarai Refurbishment

HG's scope of work is to refurbish & modify three buildings were used as storages area; these buildings are to be converted into offices including appropriate furniture, internal insulated partitions for offices, prayer room, toilets, new electrical connection and provisions as per proposed layout, external walls repairing and refurbishment and construct a new ablution area.

Almarai Cold Modular

By having a professionalism and integrity in work execution, HG continues to have good business relationship with our clients; Almarai Company has approached HG to construct new cold modular in their development works for Qatar depot.

HG scope of work is to construct concrete works for retaining walls, modular slab for three reefer bays & 15 sales-van loading and unloading ramp, firefighting & fire alarm system, electrical connection from both existing and newly constructed electrical room, new water connection connected to booster pump, constructing road gullies and soakaways for natural surface drainage, street poles & asphalt works; including construction of new substation and coordination with refrigeration contractor assigned by Almarai in KSA.

Galfar - Schools (Kindergartens)

Hermanos Group has established a new business relationship with one of the leading grade "A" companies in Qatar – Galfar Almisnad Engineering and contracting.

HG has been awarded to construct a complete steel, carpentry, and concreting works for sub-structure and super structure for a kindergarten in Nuija area awarded to Galfar Almisnad by Ashghal.

By providing a proper team and workmanship; Galfar Almisnad has instructed HG to work in parallel with Nuija kindergarten and start construction works for new kindergarten in Alrayyan area.

Galfar - Woqod Petrol Station

Galfar Almisnad has shown the good faith in Hermanos Group by awarding HG the full civil works for repair bay, service yard, manual car wash and commercial accommodation buildings including finishing block and plaster works for Woqod Petrol Station located in Alwakrah Area on Mesaieed Road.

Substation:

Hermanos Group civil works in Woqod Petrol Station has met the satisfaction of Galfar Almisnad project management team & has been awarded the construction of substation located inside the Woqod Petrol Station including finishing block, plaster and painting works.

Villas Projects

STANDALONE VILLAS

Hermanos Group have been awarded several standalone villas all over Doha District, in several times the client satisfaction were opening for us new opportunity with new clients.

The Villas HG scope of works were including all the civil works, finishing, electromechanical and site development (Turn Key).

7 VILLAS

Hermanos Group has been awarded the construction of full civil works for 7 villas of the 18 Villas compound located in al-kheesa including finishing block and plaster works.
